Alma Mater

In our dear old Carbon County,
In the midst of town,
Towers our highly cherished building,
As the sun goes down.

Far above the Lehigh waters,
With its waves of blue,
Stands our noble Alma Mater,
Glorious to view.

When the day will come to leave her,
O'er life's sea we roam;
We will always sing these praises,
To our Lehighton home.

Chorus:

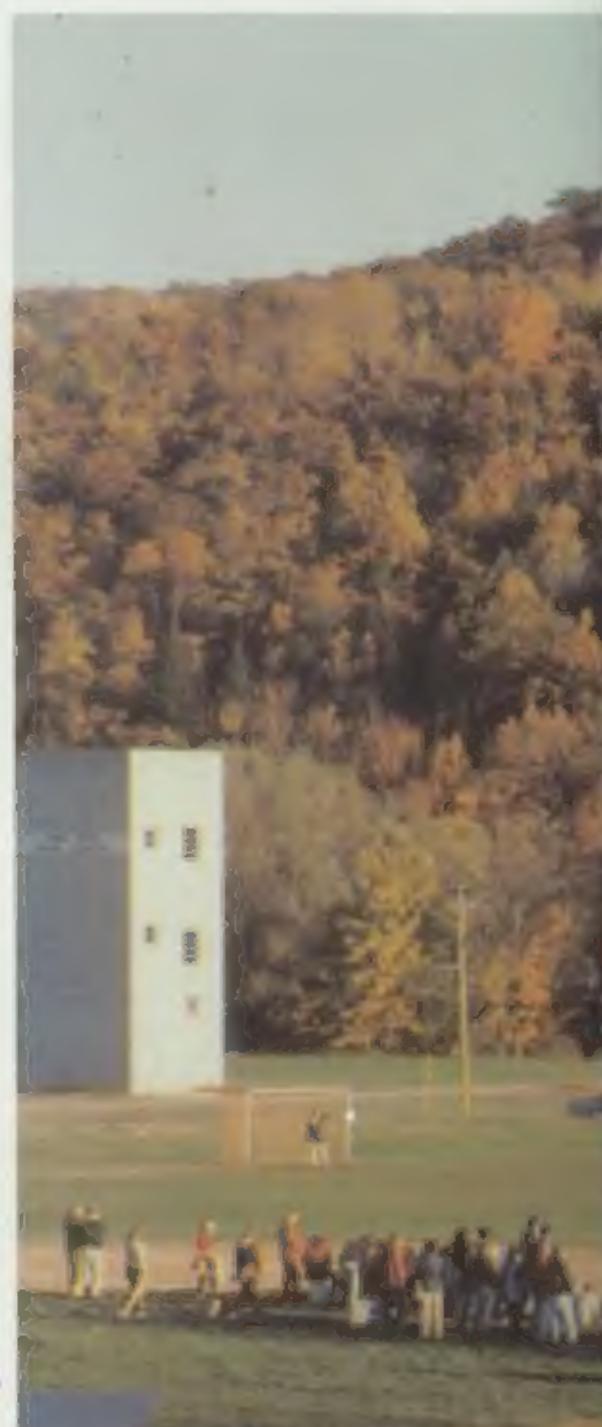

Swell the chorus ever louder,
In her praise delight;
Hail to thee, our Alma Mater,
And Maroon and White.

Faculty Dedication

Each year the yearbook staff dedicates a page to one of the many areas of teaching. This year the Practical Arts Department is being honored. This department provides the groundwork of tasks used in everyday living. Those teaching are dedicated to their work and enjoyed by their students.

"All right, let's get to work! Keep busy!" These words can be heard during the metal and woodshop classes taught by Mr. Dennis Cunter. Mr. Cunter received his associate of arts degree from Lehigh County Community College. He then continued on to Mifflinville State College and earned his bachelor of science degree in Industrial Arts.

"Smile, you're on candid camera!" Mr. Leonard Steigerwalt can be heard commenting while shaping your picture at the same time. A 1980 graduate of EHS, Mr. Steigerwalt received his associate arts degree from Lehigh County Community College and obtained his bachelor of science degree from Mifflinville State College. After course work at East Stroudsburg and Kutztown State Colleges, Mr. Steigerwalt secured his master's of education degree in industrial arts from California State College. He teaches Graphics, Woodshop, and Drafting.

"Let's get your act together." Mr. Jeffrey Elder, advisor of the Stage Crew, is often heard saying this. He teaches general metal shop, drafting, and architecture. California State College granted Mr. Elder his bachelor of science and master's of education degrees. He is also the Junior Varsity Wrestling Coach.

"Okay, get busy" seems to be Mrs. Kokinda's favorite saying. Along with teaching Young Adult Studies, Mrs. Kokinda is also the advisor of FFA. She attended and received her bachelor of science degree in home economics education from Mansfield State College. Mrs. Kokinda has also worked for credits under Penn State and Lehigh Universities.

"C'mon people" is what students hear from Miss Lois Dahlberg during her classes. Miss Dahlberg is certified in instructional media by West Chester State College. She also holds a bachelor of science degree in home economics education from Mansfield State College. Miss Dahlberg teaches Home Economics I and II, General Home Decor, Adult Living, Foods and You, and also co-advises FFA with Mrs. Kokinda.

As is seen by the courses taught by these men and women, they are a vital part of our curriculum. Many thanks are given to this department through this dedication, we feel they deserve it.

Seniors

Officers: R. Diaz, secretary; M. Hunsicker, vice president; T. Schaeffer, advisor; N. Millen, president; B. Zellers, treasurer.

As the sun slid down from the heights of summer, the class of '99 returned for the 1st time to Carnegie Hall. For three years we have gleaned from our teachings that which will help us in the later world, but our time is now drawing to a close. To some it is another year, but not the last they will face. For others it is finis.

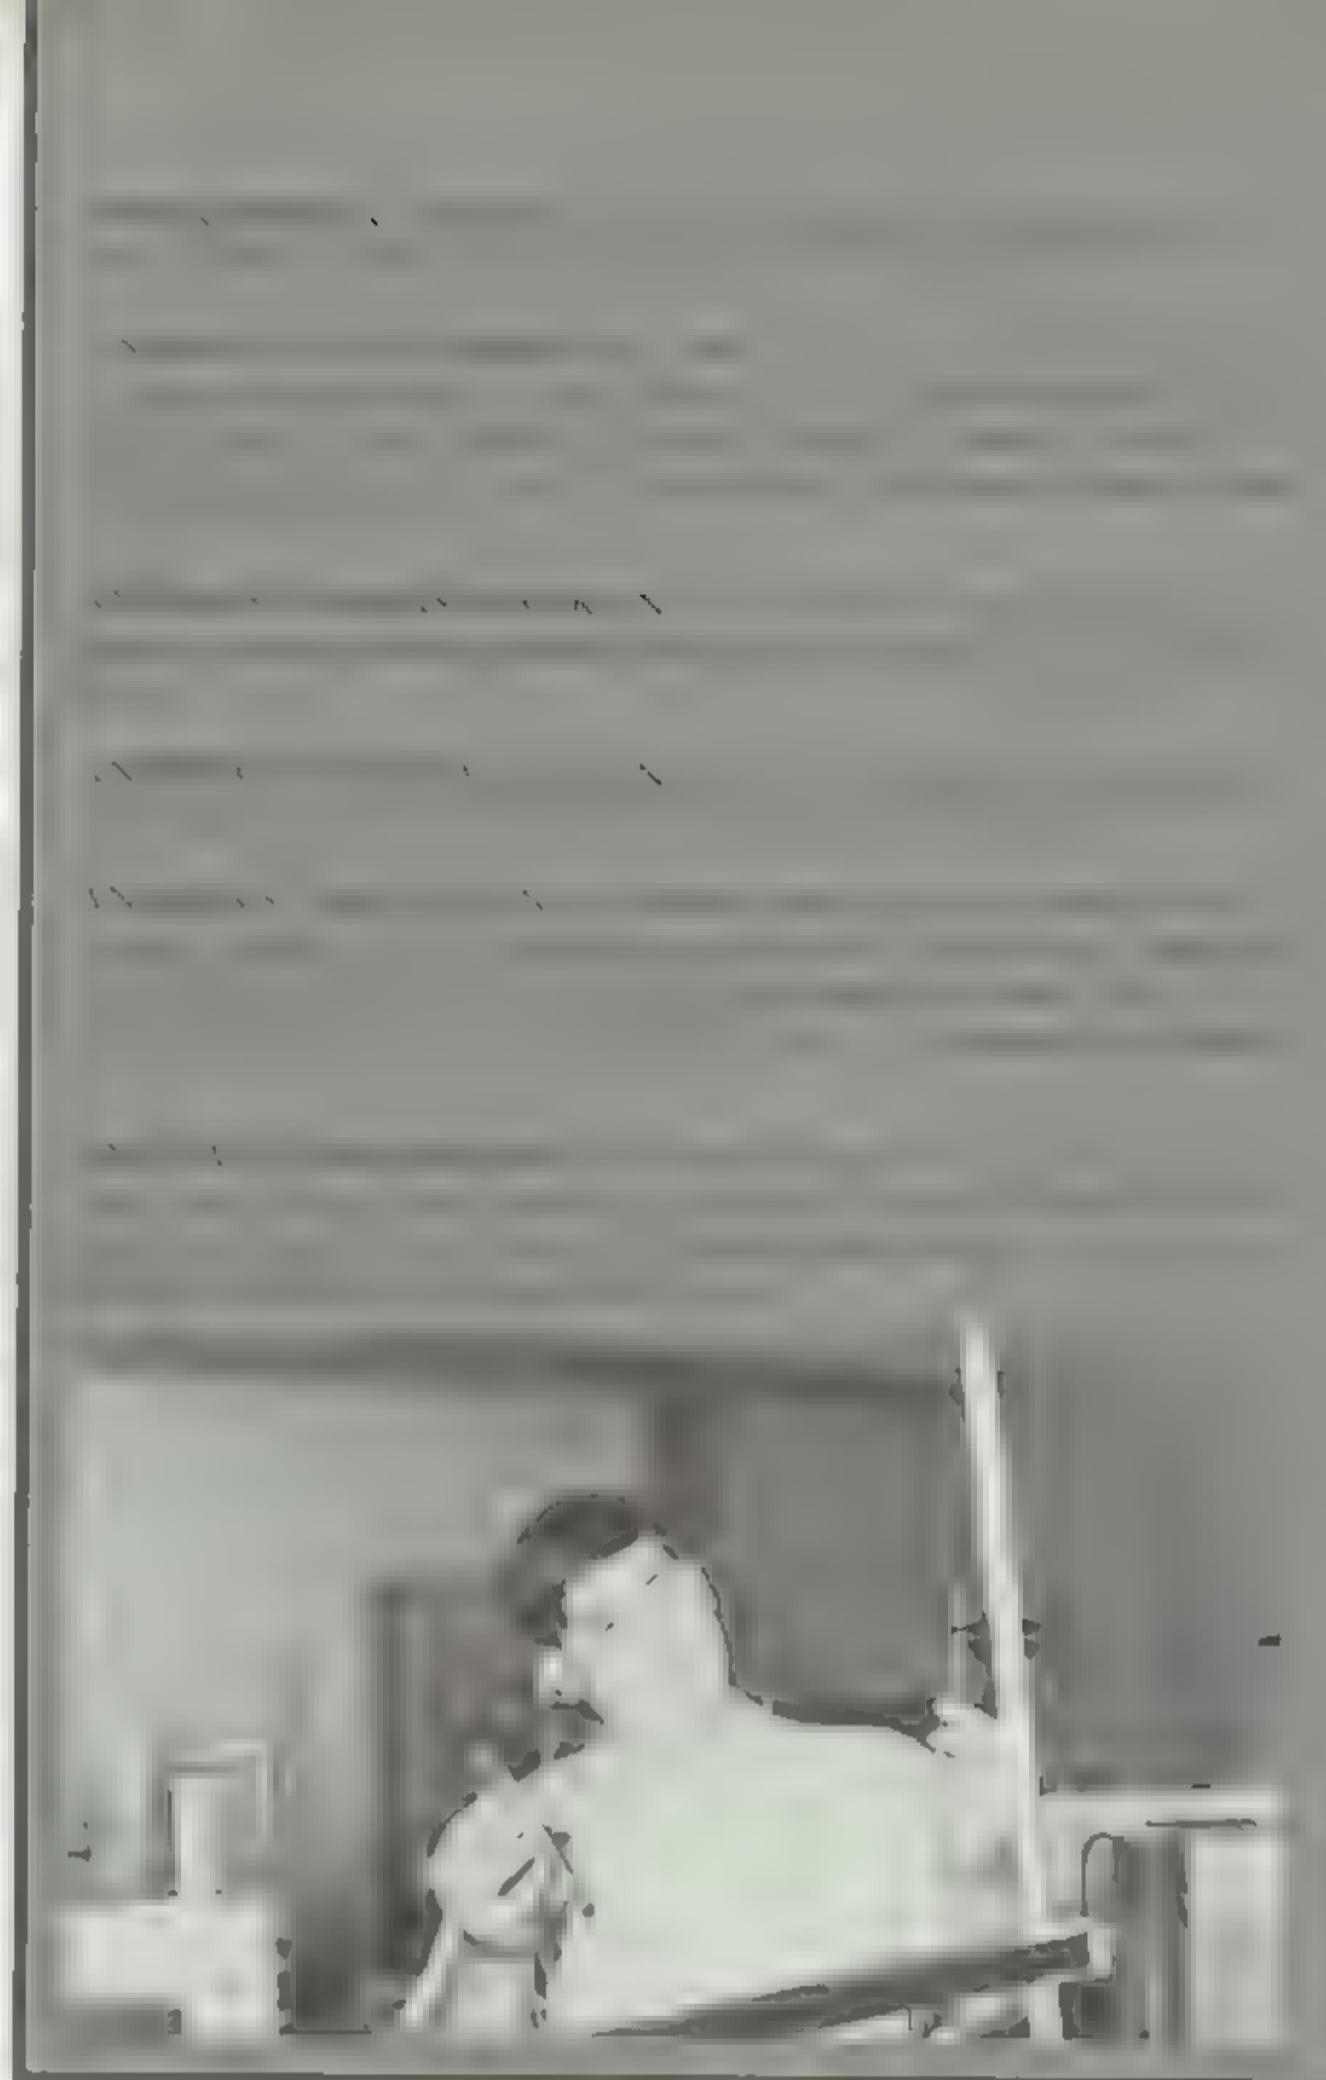

It doesn't matter though, for the spirit of our people will exemplify itself in the form of achievements unacted by past alum — making these last moments greater by far than those experienced in all the years of our growing. Coronation League Championships in two sports shine as a jewel in the web of our thoughts, for these were achievements in themselves, as our senior Football and girls' Cross Country team members will agree. A Scholastic Scrimmage team was also born, and though it didn't fare as well as our sports teams, it will be back. We were also given the opportunity to share the National Honor Society with a class of junior members. Truly, this was a year for firsts.

Where would we have gone though without the guidance and patience of Mr. Thomas Schaeffer, our class advisor. He was a great mover in many things and as such deserves our thanks. Leading us on our level, the class president was cast in the form of Nick Millen. Mary Hunsicker took up the second rung of the ladder as vice president. To manage the savings of our senior year Brian Zellers appeared as treasurer. The post of secretary opened itself to Becky Diaz, thereby filling for our last year the final position. While much of their work went unrecognized, they were always there.

Let us not forget the Halloween Parade where Black Sabbath brought third place to our class and money in the kitty. There was also the Dance Marathon, where a number of seniors were among the final weary. Those that participated will forever remember.

Yet amid all the joy our year has extended to us, a sadness still lingers. Our communion together is ending and each member of our family will go his separate way, but that's life. "After all we must welcome the future, remembering that soon it will be the past, we must respect the past remembering that once it was all that was humanly possible." Santayana. So when we look back and read this, think not of the sadness over lost friends, for they will forever remain with us. Think of the future and what it holds in store.

Juniors

Officers C. Haupt, secretary D. Tanczos, treasurer L. Owens, advisor, A. Hunsicker, vice-president, G. Snyder, president

It happened September 6, 1978, 258 young men and women walked through the doors of the Knights Area High School. Who were they? Juniors, the class of 1980.

These young people had matured and broadened their horizons over the past summer; they were full of anticipation and high ideals for their junior year. Their excitement and energy enabled them to realize these goals for they helped to make the dream of a Scholastic Scrimmage Team and a Debating Team a reality.

As a class they had many undertakings. They ran the refreshment stand at the fall and winter sporting events, all seven of its members participated in the Junior Class Play, "The Wackiest Resort in the East."

During the 1978-79 school year they extensively took part in many extracurricular activities both academic and scholastic. Every credit listed in this class's mind is how some of their classmates worked together on a varsity football team, becoming the Contended League Champs.

The class of 1980, supervised by Mr. Owens, chose four fine people to lead them. Deb Tanczos and Craig Haupt as co-secretary respectively; Ann Hunsicker as vice-president, and Gary Snyder as president.

They sent seven people to represent them in Student Council: Rich Murray, Carla Berger, Mark Reel, Deb Blese, Ann Hunsicker, Deb Tanczos, and Gary Snyder.

As too soon the year came to an end, and the class of '80 is anxiously awaiting the new year, the climax of their final year of education — they will be Seniors.

Sophomores

William Oswald, president, Blaine House, treasurer, Richard Bishing, advisor, Janice Gasker, vice president, Barbara Coble, secretary

Returning to the Lexington Area High School after a beautiful summer complete with vacations and the sun and everything we had waited for while we sat at school. But as sophomores we were truly glad to be back in school.

It was great for all of us to see our friends whom we hadn't seen all summer

Returning to school, we could now see and learn about new knowledge that would open itself to us

Before beginning the sophomore year, our class elected officers. William Oswald was appointed to the post of President. Janice Gasker became our Vice President and our Secretary while Barbara Coble, Blaine House was elected to serve as our Treasurer. We also elected students to represent the sophomore class in Student Council.

Sports were a large part of many students' sophomore year. I can't think of extracurricular activities since sports teams are still in formation. The sophomore members of the Junior Varsity Football team proved successful going undefeated for the second year.

We did help to take off the sweatshirt Dr. Jekyll's Mutt is a good one. It didn't win a prize but we tried and that is what counts.

Although we only have two years left we will strive to get the most out of them. We want to live to experience as much as we can. Next year as juniors we will be having more opportunities that need to be dealt with. We're looking forward to the next two years in helping others, our friends and remember that we are about to begin our high school years. Our class wants to seek new findings so we can help others. We are writing on a local library paper trying to say what we are able to helping others as trying to solve the economic problems of the world. We hope everyone is the same as us, trusted to some everyday.

L.H.S. Powerlifter Wins National Honors.

Barry Bardorf flashes a champion's smile

A Lehighton High School sophomore powerlifter became a teen-age national champion lifter in the 123-pound class in April, 1979 at Texas Christian University. Barry Bardorf, a 5 foot-2 fifteen year-old, outlifted 10 other teen-agers on his way to the championship. He had a total lift of 804 pounds, 270 pounds in the squat, 181 in the bench and 352 pounds in the dead lift.

The 352 pounds in the bench is a national record as is the total weight lift of 804 pounds.

Barry started lifting weights three years ago to lose weight. But under the coaching of Keith "Jake" Boyer, former LHS stellar athlete and himself a champion lifter, Barry has rapidly developed into an outstanding competitor. In his short career Bardorf has competed in eight tournaments and has three first place trophies, three seconds and two thirds to his credit.

Several weeks before the national championship, Barry competed in the Pennsylvania Collegiate Powerlifting Championships at Kutztown State College. He competed in the 114-pound class and outlifted four college students. Bardorf had a total lift of 750 pounds in the meet; 265 in the squat,

160 pounds in the bench and 325 pounds in the dead lift.

The 265-pound lift in the squat was a collegiate state record. The record, however, didn't count since Barry is not a college student but was competing in the meet as a guest lifter.

Although he does not compete in high school sports, Barry follows a rigorous training program under the careful watch of Coach Boyer. Each Monday, he works two hours on his bench press; Tuesday, he exercises to help his squats, Thursday, he works on the dead lift, and Saturdays he works on form for all three of his lifts. Barry points out, "Form is a main part of powerlifting. If the judge doesn't think your form is right, he can cancel the lift."

The staff of the 1979 *Gachin Bambil* congratulated Barry Bardorf for his super achievements in his area of sports. And we commend him for the credit he has brought to Lehighton High School. Most important, we wish him great success as he follows a trail which will hopefully lead to a chance at an Olympic berth. Good luck, Barry.

On October 14, 1978, the Lehighton High Students held a Homecoming celebration. The festivities included a procession of graduating members of the football team, cheerleaders and band with their parents, plus a parade of Homecoming Queen hopefuls. All of this was climaxed by the annual dance sponsored by Student Council. Connie Kintzel, escorted by Darin Koch, was selected as Homecoming Queen. The members of the new queen's court were: Kelly Mandour escorted by Todd Hornecker, Deb Artuso and Frank Inama, Dawn Koons and Doug Mantz, and Tammy Thomas escorted by Richard Patterson.

On December 23, 1978, the Christmas spirit filled our gym as we gathered to celebrate the holidays at the annual Christmas Dance. This year Dawn Koons escorted by Doug Mantz, was crowned Snowball Queen from a group of five finalists including Kelly Mandour escorted by Todd Hornecker, Tammy Thomas accompanied by Jeff Burger, Deb Artuso escorted by Rich Murray, and Karen Sellers accompanied by Dave Silvonek.

Alumni Memorial

The passing of a member of the family, a friend, or an associate is always a time for reflection. And so it was with the passing of Edward G. Diehl during the spring of 1979. It was a time to reread the dedication in the 1971 Lehighton High School annual which read, in part:

"In books, you gain friends who will be your companions forever. And, in rare books, you gain the dearest friends of all."

"Our dedicatee indeed must have many dear friends for his avocation is collecting books, especially old and rare books. And his manner and wit exhibit the fullness which comes to a life spent in familiarity with good books."

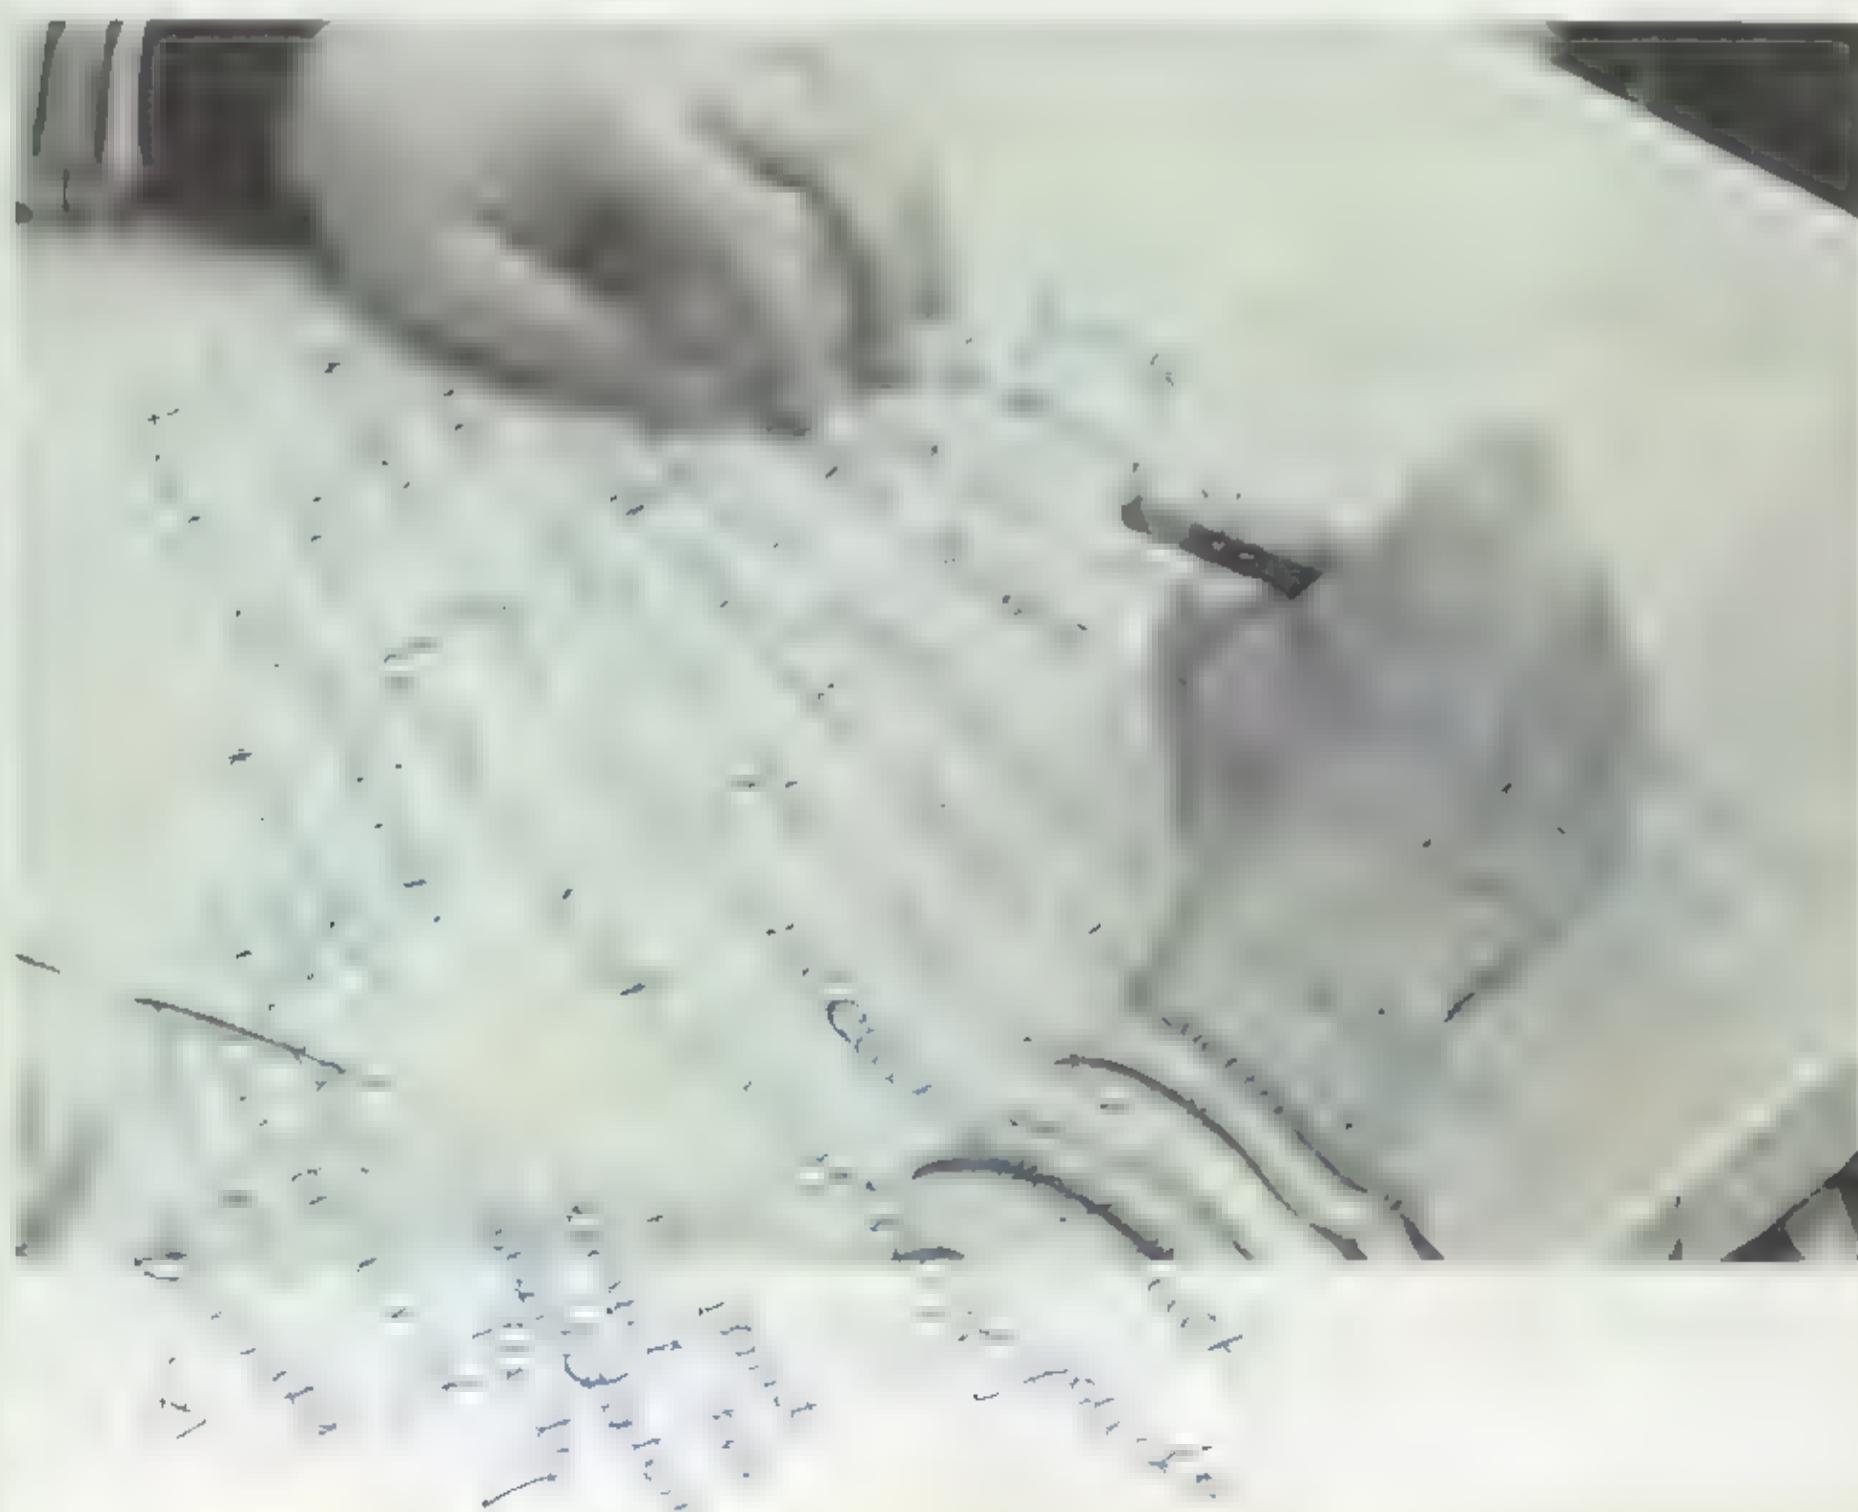

"But his association with books has not only been through his collecting. For more than a quarter century he has been intimately connected with the publication of the GACHTIN BAMBIL. He was a member of the student staff during his high school days. After he received his degree from Muhlenberg College, he returned to Lehighton High School to teach and to become faculty adviser to the yearbook staff. For 26 years, until his retirement from the adviser's position in 1970, he was the guiding hand and the financial genius behind the

yearbook.

"The staff of the 1946 publication chose to dedicate their work "with pride" to Mr. Diehl. This year the staff dedicates their work "with sincere appreciation" for the uncountable hours which Mr. Diehl has devoted to the high school annual."

The philosopher Aristotle wrote these words. "Dignity consists not in possessing honors, but in the consciousness that we deserve them." Surely this sums up the dignity which Edward Diehl brought to his teaching, to the publication of the GACHTIN BAMBIL, and to his life.

So we, the staff of 1979, dedicate our work to the memory of Edward G. Diehl for his tireless efforts, his guiding hand, and his spirit of devotion to the traditions of the GACHTIN BAMBIL. And at his passing, we remark also the passing of all of his fellow alumni of Lehighton High School who have inspired us by their lives to continue our own lives with greater hope. And to his memory, and to theirs, we dedicate "with dignity" this book.
